

Press Release

8/14/2009

BRC Harris-Filing/Storage Business joins Improve Group, Inc.

Denver, CO- Improve Group is pleased to announce the acquisition of the Filing and Storage division of BRC Harris. BRC has a strong track record of providing filing and storage solutions to organizations throughout the Rocky Mountain Region. The addition of the BRC Harris filing and storage division will provide world class knowledge and experience in records management and storage solutions to Improve Group's Colorado operations.

As part of the acquisition Marshall Davis and Cheryl Bayles will become part of the Improve Group team.

BRC Harris will continue its growing print finishing equipment, paper shredder and records management software businesses.

About Improve Group:

We are a team of professionals dedicated to helping organizations improve the way they store stuff and manage information. We have the tools to make your business run better; from police property and evidence storage, precious museum artifact preservation, to improving the file room, or implementing your electronic content management system; our team brings a unique approach to every project.
